“ I will miss my dad forever...i loved our Sunday nine hole golf outings from when I was 12 years old until I left for college and in the summers thereafter. And all of our brunches and golf rounds thereafter. As a kid, after the nine holes we followed it up by a DQ cherry soda. My Dad loved cherry sodas! We had so much fun all throughout his life...even when he was living with me in Connecticut during the last months of his fabulous life. He was and is to this day an inspiration to me.

“ What good times we had with Andy & Pat in Inverness. Dressing up for Halloween and trick or treating for bourbon. Caroling at christmas(The Morbid Tabernacle Choir) Carrying a silver ice bucket for tips to go on a cruise. We never made enough to make that cruise. Bus trip to Pittsburgh for Pitt-OSU game. Andy proudly showed off all his favorite haunts. We always cherish our time wit the Mager's.Wonderful memories to hold close to our hearts.
Thought and prayers are with you,
