“ Aunt Camillus holds a very special place in our hearts. The times spent at her and Uncle Ray's house are fond memories! I know I was amazed how Camillus always "knew" what we were up to!

My sister, Liz, and I were spending the day at her house with Peg. Aunt Camillus said we could make chocolate chip bars but not to use real butter. Aunt Camillus left and we made the bars...using real butter! There is know way she would know the difference...Right?

Will being the nice kids that we are, we took her some bars. She knew right away !!!  
You are going to be missed Aunt Camillus!

“ Dear Peg, Kathy and all of Camillus' family: Camillus' passing was announced at Mass this morning. We are sorry for your loss but hope you find comfort knowing that she is at peace. She was always smiling, just as she is in the photo. No one can ever come close to her sense of humor and the ability to make us laugh...sometimes at ourselves. Please know that all of you are in our prayers.

“ Sorry Peg and the whole family, your mom was a great lady. I know she loved you all and you her. When I used to stop by to see Jim they were both so wonderful with each other, you could see the love. She will be with your loved ones that preceded her and she will continue to an influence on all of you in your daily lives. I know you more than anyone will miss her Peg, but remember she walks beside you.
