“ David and Family,

We were saddened to learn of the loss of your father. We knew your family from the time that we attended the Guilford Baptist Church in Sterling, VA. Your father and mother were both very fine Christian people and lived their lives in a Christlike manner; they will be missed by all who knew them.

May God surround you with his loving arms of mercy, and grant you peace, joy, hope and encouragement in the days ahead.

With deepest sympathy,

Elaine, Mary Ellen and Juanita Havener

“ I first met Charles (Willie) while stationed with the United States Air Force Security Service at Landsberg Airbase in Germany in 1956, we became good friends. We got separated when Willie was transferred to Ankara Turkey. We found each other 54 years later online. In 2010 he came over to visit with his wife and grandson. He later learned about my daughter Monique's husband Dennis was suffering Alzheimer, and he would always ask about them when we talked on the phone. I last talked to Willie sometime in late May. My condolences to his family,

“ I first met Charles William (Willie) in Landsberg Germany where we both served in The US Air Force Security Service. We became good friends, and we got separated in 1956. In 2010 after fifty-four years we found each other online, and he came over to visit with his wife and grandson. He learned that my daughter Monique's husband Dennis had the same dreadful alzheimer. Disease his wife had. He often asked how my daughter's husband and her where doing. I last spoke to him maybe the first week of June, he never mentioned he had taken a fall. I know his family will miss him and so will I, but I know he love Jesus, and we will all see each other again. Donald Levesque

“ I did not personally know Mr. Williams, but as a nearly life-long resident of Leesburg, VA, I remember his good service to the Town. I do know his son David well, and from the type of person and family man David is, I know he comes from good stock. RIP!
