“ Yesterday, April 23, I called Frank to wish him a Happy 82nd Birthday, I have done this every year since he retired from GSA in 1994. Then I found out he had passed away less than a month ago. A great loss to me personally. I first met Frank in 1986 when we started working together at GSA. I was his boss for the last few years of his GSA career and we had become very close friends. I last saw him in July, 2018 in NYC when he came to a small GSA reunion. To his family and friends: My deepest sympathy.

“ I had the honor and great privilege to work with Deacon Frank and Lil during his time at St. Leo Catholic Church in Bonita Springs, FL. He was such an inspiration and help to me during my time as DRE there. I had moved out west to be near my ailing parents, but he and Lil continued to be in my prayers daily, and I was deeply saddened to hear it was his time to go on home (and that Lil had passed on the year before.) I am sure he will be warmly welcomed. My prayers go out to his family at this time of loss. Blessings on you all.

Frank was a dedicated Federal Employee, Coast Guard veteran , and Deacon in his Church. He contributed much during his life here on earth , May he rise again in glory. Jim Devir, Scituate, Ma.

“ During diaconate formation your Mom and Dad were our teachers and friends. Over the years we grew to love them more and more. He always told my husband Tom he never had a brother so he was adopting him to be his brother. What an honor. We already miss him so much and we miss your Mom. What wonderful friends they were to us. God bless you.
