“ Jane and Family:

Susan and I had the privilege of knowing Frank (& Jane) for a few years as we all supported FSU. Frank was a fun guy and I could tell by his work on the Utilities Board he was an honorable man. I wish you well.....Bob Votaw.

“ Frank was the 1st. person i met at the phone company yard when i started employment at Sprint. I will never forget that he gave me a warm welcome when i walked thru the parking lot. Frank would be the first technician to arrive in the mornings and he would sit on a picnic table right by the entrance and tell jokes and bring a smile to all of our faces before we started another day. Frank was a hard worker and he could never sit still.If he was not working hard at the phone company then he was working hard on some chores at home. Frank and family had some great barbecues and boat parade parties and i have some great memories from them. I remember Frank was a big F.S.U. fan and he would go to all their home football games. He would take almost every Friday off from work when they would have home games and get an early start on the tailgating. Me and the guys at work would call them Frank Friday's !. My condolences go out to Jane, Tiffany and family. Thanks for the great memories, Frank. Rest in Peace my Friend.

“ Jane- I am so sorry for your loss. I met you and Frank back in 2005 at the famous annual barbecue at Kim and Don Thomson's. I had moved to Bonita the year before and didn't know many people. He made me feel welcome and pointed out that, while I had been invited, he had no idea who half the people there were and "why the \$%#! am I cooking in this heat for people who don't know me?!" Proud to have shared our U.S. Army heritage with him and grateful for all of his (and your) many contributions to our community. I will miss giving him a hard time and his teasing. God bless you and give you peace- Nigel

“ Frank, Jane and I enjoyed special times at the FSU home games. Frank was a great friend and I will always remember fondly the good times we shared in NYC mixing business and pleasure. Frank and Jane introduced me to my wife in 1995 and we were married the following year. Jane, Cheryl and I send our love to you and Tiffany at this difficult time.

“ Jane, our hearts go out to you and family. I had such great times working with Frank. When i first transferred to Bonita Springs, I just loved watching Frank teasing the new techs. Also fun to be around, this world just got sadder with his passing.

“ Jane remember all the good times we had when you came up to the cabin. Frank always came by the store to see what was new. We had a fun night driving up the mountain when a big storm came by. The car started shaking and hail and rain. Frank talked about that trip for days. Scary but fun

“ My prayers are with you Jane, Tiffany, Jacob, and Parker at this time. I didn't know Frank that well. The few times we meet he always made me feel welcome. Seems he touched a lot of peoples lives. And they where blessed to have known him. He was one of the biggest FSU Seminole fans. I bet come game day his spirit will be there cheering them on. Debbie Hanchey

“ We have been neighbors and friends for going on 16 years. Frank was always ready with a helping hand, even to going up on our roof to replace a skylight in the eye of a hurricane! This was even before we really got to know him. We have had many happy get togethers with both Frank and Jane, you really are the anchor of our 'hood'. Jane you know we are very saddened and will feel it even more with the new path you are destined to take but we wish you, Tiffany, Jacob and Parker all the very best as you make your journey without your beloved husband, father and grandfather. All our love Roy and Janet

“ I was lucky enough to be hired by JC at Naples Fed way back when. What came along with this was hearing Franks booming voice when he stopped by greeting everyone in the place, usually with a new corny joke! So many silly, happy memories of Frank! He loved to entertain friends, threw some legendary parties, gave selflessly to Bonita and loved his family deeply! Cheers to Frank!

“ Frank became my brother in law when I was 9 years old. His larger than life personality made it easy for my entire family to fall in love with him. I will always remember the times I have had with him. I haven't been the easiest person to be around at times. He never judged me or gave me a hard time. He loved my parents and my siblings. None of us are perfect, but I loved him no matter what. Rest in peace my brother, I love you.
