“ Dear Patti, children, and friends, Peace in Jesus, 1Thes 9-11

Though we knew Howard and Patti only briefly and broke bread, we were blessed by his dedication to Christ and His Kingdoms. We will miss him at Bay Pres. Church.

“ My wife Cindy and I have known Howard and Patti for a relatively few years. We consider it a privilege to count them as good Christian friends. Among other things, we liked sitting near them in church and going for lunch together after worship services.

It was a blessing for me to participate in a weekly men's Bible study with Howard, who's love for God and knowledge of His inspired truth in the Bible is top notch.

“ *In one sense there is no death. The life of a soul on earth last beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, loved as familiar friends. He lives on in your life and in the lives of others that knew him.*
