“ sorry we missed the virtual service today. I was a little late trying but could not locate the service on either the church or funeral home websites. Jim was the classic example of a gentlemen in every way and at all times - a very rare quality. It was a pleasure to work with him and to think of him as a friend. At work at a very busy job, Jim made it look easy, but was always on top of things - another rare quality. It was a privilege to have known him. marl ramsey

“ Jim's voice will forever be in my ears. We worked together many years in Osseo as partners and friends. I can hear his laugh and see his movements. He still is a gift. Thank you, Jim. Linda Crawford

“ Dr. Boddie was incredibly impacting on my career in Osseo Area Schools. As a brand new assistant principal, he immediately and kindly took me under his wing, sharing his endless knowledge with me, supporting me in all situations, and tirelessly promoting my career as a woman in leadership. He was a steadfast, caring rock for me, and I absolutely adored, loved, and revered him; I am forever indebted to him. May God continue to keep you in His care, Deanna, and may God bless your soul, “my” beloved Dr. Boddie.

“ Jim did so much to help advance teaching and learning at Osseo Area Schools. I had the privilege to design many school buildings with Jim and Deanna over the years. Jim taught me so much about listening, guiding, leading, and respecting others. This world is truly a better place because of Jim. We will see each other again in heaven. God bless Jim, Deanna, and the entire family. With deepest sympathy,
