“ We were really sorry to hear about Jay's passing. Jay was a wonderful teacher and coach at Evert High School and was known by all. Jay attended the Class of 75 reunion 10 years ago. It was great seeing him and little did we know that would be our last time to see him. He had a lot of compassion for the students he taught and coached so it is easy to understand why he choose the profession he did. Our hearts go out to you, Cindy, and your family. Ron and Zoe Babb (Evert)

“ I was very sorry to read of the passing of Jay. When I saw your Dad yesterday, the aid was not sure he had been told, so I did not say anything to him. I always enjoy the minute of interaction with him. Again, my condolences to you and your family.

“ It is with great sadness to hear of coach Jay's passing as his first year at Charlotte, was my senior year in football. That was my most enjoyable year as an Oriole. I will cherish the memories and the only regret I had was not having him as a coach for four years. My heart and prayers go out to the Gowell family, may he Rest In Peace. I will always have a spot in my heart for Coach, in Jesus's name, Scott Beglin

“ I have coached with Jay for more than 20 years. My best memory of Jay during football practice, Coach Sneck would start getting fired up. Jay would come to me and say, “You need to calm Sneck down. Im afraid he’s gonna have a heart attack!” I’d turn to him and say “Jay, this is how he is every year, besides, the rest of us younger coaches got money on what he’s gonna say next!” Any one who knows Coach Sneckenberg knows what I’m talking about. That’s how Jay was. He cared about everyone! He loved the kids! Jay was a great man! Ive learned so much from him throughout the years. Last, I will never forget the time when he suckered us younger coaches to come over and move a hot tub that was bigger than my house!” I love you coach! Your legacy will live on forever. Til we meet again! Coach Eric Emery.
