

Julie Ann Healy

June 22, 1965 - December 26, 2020

Julie Ann Healy (Neé Jones), 55, of Ft. Myers, FL passed away on December 26, 2020, with complications from COVID-19. She was the wife of Thomas Healy and daughter of Jane Jones (Neé Condon).

Julie was born on June 22, 1965, in Arlington Heights, IL, to Jane and the late Senator Wendell Jones. She grew up in Palatine and earned a Bachelor's Degree in nursing from Northern Illinois University. She became a hospice nurse and selflessly cared for others for 15 years in Illinois. She relocated to Florida and worked as a nurse with Hope Hospice, her kindness leaving an impact on both patients and colleagues.

Julie loved the Florida sunshine and the beach. She had an incredible sense of humor that drew people to her. She enjoyed concerts, with Sir Elton John being her favorite. She always cheered for her hometown Chicago Bears and Cubs. She was thrilled to see her Cubbies win the World Series. Her highest priority in her life was the time she spent with family and friends.

Julie is survived by her husband of 15 years, Thomas Healy of FL, her mother Jane Jones of FL, sister to Tim Jones of IL, Janell Galuski and husband Chris of FL, stepmother to Ryan and Mckayla Healy of WI, and Aunt to Micaela and Taylor of FL.

A Celebration of Life will be held at Smith Corcoran Funeral Home in Palatine, IL.

“ Jules, Our lifetime of friendship since I was 19yrs old, will always be dear in my heart. You stayed in my life and shared so many wonderful memories with my family, with my children. The best moment was when Kenz hand picked you to be her God Mother, she adored you! Loved sharing so many memories with our families and missed you greatly since your move to Florida. We love you!

“ To my Jules, I will miss you dearly, who will I share my sarcastic sense of humor with... Thank you for always being there for me... you have touched so many lives down here, that God knew it was time to come home, because he needed your help up there.... you embraced every day you were here on earth, your love is still here and was passed on to so many people, you will still brighten up people lives for years to come, when they hear a Elton John song, or see the sea gulls, from the sunrise or a sunset on the beach, or from even getting a speeding ticket on a warm spring day.... we will remember you while watching a Cubs game and the Referee says your out, we will hear your sarcasm humor.... us Hospice Nurses will know that you will be there to help us say goodbye to are patients while you help to guide them home.... I love you Jules, and I know I will see you again... until then I will always hear you in my head telling me to Put my Girl pants on.... God speed

“ We will especially miss Julie's caring for others, her devotion to her family, and of course, the ongoing sharing of her sense of humor that made her who she was. I am personally devastated as she was the oldest daughter of my best friend, Wendell, who left us 9 years ago. We sincerely want to express our condolences to Tom, Jane, and the entire Healy and Jones families who were blessed to have this loving person in their lives. God Bless all of you as we grieve together and remember Julie's contribution to our journey. With our Deepest Love, Chris Ferro & Susan Drilling.
