“ I met Kat a few years ago. She was such a lovely and lively person. Enjoyed listening to her tell of her very interesting life and about her lovely family. Sympathy to all the family. She will be greatly missed.

“ Jayne and I have great memories to share....Kat was a lover of the arts...she enjoyed opera, symphony, foreign film and all music and art. Can remember when we would drive to Miami for our once a year visit to Florida Grand Opera...it was country music all the way...and loud!

Few people know that she was a very good at sports...once we took grankids ice skating.. Kat surprised the boys that she could do so well.

AND...Kat was a good boater..loved the beach walks and shelling. A very good sailor,

Kat would steer and I would trim the sails. I think sailing was one of her favorites. A while back, Jayne asked several friends (Barb, Loret, Kat, Jayne, Joanie) , , to go out on a sail....we set the spinnaker..the boat took off and heeled and the girls were screaming...Kat wasn't fazed..she just steered..laughing and holding on. Once we took Laurie out on the Whaler...engine wouldn't startKat made it a party...we ended the day at the bar at Placida...tons of peel and eat shrimp and bloody marys.

Kat loved to have friends over and she really enjoyed the Holidays .especially traditions from Roman's Polish side of the family. This year we celebrated Easter with kielbasa, perogie, golumbki and ham....and if that wasn't enough Polish... she wanted Ziemna Nogi...which was pickled pigs feet..AND Kat was born VERY IRISH....go figure!

Kat lived a very full and wonderful life...we enjoyed looking at Kat's pictures...her wedding to Roman...with a full military accompaniment raised swords..Most striking was Kat's love of showing pictures of grankids.....and she was super photogenic. Kat was so very proud of her family,.always talked of their travels..and nieces and nephews. Her kids, Mer and Trey,... always bragged on...not to mention Laurie, George, Mike..her family .and extended family. It must be said that she knew where everyone of them was.. what they did and she never lost track of them....

While Kat dearly loved her family....if you knew her well..she would always include you into her group. We were most lucky to know and love Kathleen. She will be missed by all whose heart she touched.

We spent many happy times Together in Randolph and working at AT&T. I was with when you passed last Thursday. I will always cherish our last 3 days together after you picked me up at the airport for our annual visit. We just shopped ate out and watched TV but you made it fun.
