“ I remember oh so well Bill Haughey sitting in my office at the Souhegan National Bank in Milford NH telling me his brother was retiring from the Air Force and moving to join Wallace Press. Known Larry since that time personally ,business, Rotary and a friend. We had a common bond as retirees from the Air Force. Yes we talked about the good old days on many occasions. My sincere sympathy goes out to the entire family. Larry was a sincere Gentlemen and we will always have all those fond memories

“ To the entire Haughey family, I was incredibly sorry to hear about Larry's passing and remember him for the perfect gentleman, professional businessman and kind hearted individual that was – so welcoming and helpful to me when I first started my free-lance business in 1979! Brother Bill, too always was there to lend an ear whenever I had a problem or a "rush" job that needed Brian or Ken's attention. Further, daughters Debbie and Sandi carried on Larry's gentle, kind and helpful manner at the front desk with big smiles. Cliff Ann and I want you to know how much he will be missed, a fond memory after so many years of his (and your family's) dedicated service to our mission.

We now publish The AMHERST CITIZEN online, and expect to have Larry's obituary ready soon at: amherstcitizen.net. You and others should be able to print it easily on any home printer...

Best wishes to you, Marjorie and know that you and your family will always be in our thoughts...

“ My deepest condolences to Marge and all of Larry's family. I had the honor of sharing some good times with Larry on the golf course as members of the Amherst Businessmen's league and a group known as "A-B" golfers, mostly Milford Rotarians that roamed the state in search of good courses and restaurants. He was a long time Rotarian and was known as one of the Club's 'Pillars'. He participated in the Junior Crab Club with the likes of Francis Perry, Jud Pestana, Hank Manoogian, Bill Ferguson, Mel Reeve, Mario Infanti, Bob Rowe, Dick D'Amato and Stan Kankowski, for coffee and to discuss 'current affairs', Larry was a true gentleman and of a Special Generation.

“ Sorry to hear the sad news that Uncle Larry has passed. He and my father (Bill) were quite close, both in their business partnership and in life. Our families lived quite close and I have many happy memories of visits, dinners, and sports. My love to Aunt Margie, Debbie, Diane, Sandy, and their families. A huge loss. Love, Roger and Susan

“ How does one describe Larry Haughey other than to say he was one of the most pleasant, kindly, loving, and considerate gentleman I ever knew. He was a devoted husband, father and grandfather who's family always came first. Second only to his family came his love for his country, flying helicopters, and rescuing his fellow

servicemen in combat, a true patriot.

As I think of the past, I cannot help but remember all the wonderful times we all had playing golf, Larry was a very good golfer, but then again, he always did well at anything he put his mind too. He will be sorely missed by all of us who had the pleasure of being blessed with his company. My sincere condolences to all the family at this most difficult time.

“ Mr. Haughey was just an amazing person, always with a smile and something positive to say. He would also mention his family every time I saw him, and give me updates on them....there was so much love and pride in his voice when he spoke about them. A kind, humble, and patient man whom I am truly honored to have known, and been part of his team. My sincerest condolences to his family, my heart and prayers are with you. He will be missed by everyone who had the privilege of knowing him.
