“ Pat was one of my very favorites at the Pelican Bay Club. So sweet, sincere, a wonderful neighbor in the Dorchester when I was going through a divorce. Always wearing a smile and a positive attitude. She adored David and her family! A true lady and wonderful golfer. I remember when her first Grandchild was born. It was Erick this and Erick that! And her daughter Jeanie? The moon was hung by Jeanie, the naturalist, birder. Love to the whole family. You all have wonderful role models to look up to and follow in these trying times. God bless you all. Thelma Forhecz Lyle

“ This is a memory that Sally would enjoy dating back to 1964 when she was a freshman at Brookfield East and I was her French teacher. I clearly recall the first parent-teacher conferences that I had to subject myself to. I was much less confident with the parents than I was with the kids; In fact I was scared to death until the Stiebers came along and put me at ease with their kindness and their willingness to be supportive. Your Mom has been dear to me ever since then, Sally, although Ive rarely seen any of you since those days. I remember you and your classmates with so much fondness, and I often wonder how you kids "turned out". Scott and Martha and John and Pam and you in particular.

Accept my heartfelt condolences, please.
