“ Gil, Gail & Joel - My sincere condolences to you and your families on the passing of your wife and mom. I first met Pat when my family moved to Hansen Road in Norwich in 1972. She immediately endeared herself to me as a wonderful, caring neighbor, and we spent many hours visiting over coffee and sharing our child-raising tips. Although she relocated to Florida many years ago, our friendship endured. Gil, I'm so grateful that I was able to visit with the two of you while I was in FL a few years ago. Pat and I instantly reconnected as though many years had not gone by. I have fond memories not only of Pat, but of the three of you. I am so sorry for your loss.
