“ I was Kathy's best friend before she left McMechen. Your family was so kind to me and even let me visit you in Pittsburgh. I had so much fun with your family. Kathy you were blessed to have two great parents. My deepest sympathy to you and your family. Your dad will always be looking down on you and watching over your family.

“ Worked and car-pooled with Paul for many years at Wheeling-Pittsburgh Steel. Rare to find someone in his role with such high integrity. He always "joked" that his time limit at any event was two hours - and that included his own retirement party (not so sure that this was a joke)! We had a long-standing gentlemen's bet as to who would remember whose birthday longer... as a testament to his memory which was unparalleled.
I consider it a very high honor to be considered in his circle of friends.
Some are remembered...others are missed - Paul will be both remembered and missed! May you find peace in your journey Paul - God Bless!! Thoughts and prayers to you Marge and your family.
