“ I will miss Uncle Bob, although I didn't get to see him as often as we would have liked to. I have memories of his sense of humor, his love of his children, his love of golf, and the stories he would share about growing up in both Jersey City and Basking Ridge - his own "tale of two cities".

He was so kind, and would always share stories of my mother when I asked, which I did often! He also had many stories of sharing an office with his father, my grandfather, and I always thought he had a remarkable ability to deal with my grandfather's stubbornness.

But most of all I'm grateful that I got to have a nice long visit with him in the summer of 2015 at Aunt Eileen's funeral. Attached are pictures from that visit, and I will remember his warmth and love and carry that with me. Love to Rob, Peter, Ellen, Paul and all your children
