“ Growing up in Camden New Jersey and part of the Ukrainian Kolody family I certainly know the Sikora family. Seeing Bill and Lil at church and all our times at the "Collmont Diner"., we were like one big family. My sister Janice was closer to them, babysitting etc (Country Squire Motel). However, later in life I saw more of Linda. Many fond memories. I know Bill is having a glorious time in heaven. My sincere sympathy and loving thoughts to all.

“ As a kid growing up in Westmont, NJ, I worked at the Country Squire, Collmont diner and at the plant in Hammonton. They were great learning experiences and, more than anything, I learned work ethic. Not sure I ever saw a family with the vigor of the Sikora's. They were pretty amazing so many thanks to Bill and Lillian for what you taught me. Sincere condolences but very happy Bill and Lillian shared 75 years and that Bill was blessed with such a long, fruitful life.

Sincerely,
