“ *I'm very sad to learn of Alinka's passing just this past week. I had visited with her in late October, or early November. She was an amazing lady and a wonderful person. Alinka was a true American patriot and animal lover, always concerned about animals in need. We always enjoyed talking about politics and world affairs and her family's history and involvement in Hungary. I'll always remember her love of Dachshunds, and her helping the feral cats that came around her home. She is missed very much and will always be in my heart. I pray she's at peace and know I will see my friend again. Take care, April Hoover, Bonita Springs, FL*
