“ Dearest Joyce and family:  
I feel so sorrowful for all of you and want you to know you are in my thoughts and prayers. I always cared so much for Al even though my circumstances changed. I always knew that if I ever needed him all I had to do was call. He was always so good to Brooke as a child and actually helped mold her to her future with the company. Please take care of you and find comfort in the love and support from everyone.
