“ My heartfelt condolences to Millie,s sister, Jean and husband John for the loss of Millie. I had known her since she first started dating Tom who at that time lived next door to me in the villas. Later after their marriage they bought Dot Neely's villa a few doors down. They were a great couple we enjoyed getting together with and other neighbors. Later in the years my husband Carl, had a stroke which left him with several disabilities and Tom also had similar disabilities a while later. But Tom could get around on his scooter which was great. Millie and I would occasionally talk about our caregiver responsibilities. We have moved away from the Villas of Pelican Bay but it was and is a wonderful community Millie was an important member of the community for many years. She will be remembered by all of us.
Sincerely

Ann Johnson

“ I'm writing this with a heavy heart. Millie was a very dear friend of mine many years ago. She was in my wedding. We hung out together and took little trips together, like the Newport R.I. folk festival and Atlantic City which we were only to stay the weekend but put our money together and managed to stay a week. We ate breakfast for \$1.99 every day and skipped lunch and ate a cheap dinner so that we could stay. We laughed about and had a great time. She was full of life and her smile was infectious. I will remember her fondly. To Jeannie and family my deepest sympathy. She truly a great person and one to remember. Love to all. Pam Belardi

“ Please accept my deepest condolences on the loss of Millie. She was my Godmother. I have so many fond memories of our Christmas visits and our annual shopping trips to the Lehigh Valley Mall. I will never forget how much fun Millie and Tom had dancing at my wedding in June 2008. I found a few photos taken at my wedding of Millie with my parents, which I will share here. I will always cherish my memories of her. I will keep Millie and her family in my thoughts and prayers.
