“ *My late father, Joe Dorney, worked at Globe Mfg. Co. for lots of years. He worked the second shift. He thought VERY HIGHLY of Mac Reis and had much respect for his work as an Executive and especially a person.*

*My father was one of four people at "Globe" chosen to work in England when a plant was opened in Tiverton.*

*Mac's Obituary and service to the Fall River community says TONS about this man.*
