“ *Angela was the nicest and kindest girl I’ve ever met in my life. The first year that my mother wasn’t going to be able to bring me a cake for my birthday, she had one made for me and brought it as a surprise to me. She was thoughtful and caring in every way.*

We went bowling, out to dinner, to some local festivals, and visited each other at work all the time. She was hilarious and a bright light for anyone who knew her and we all love and miss her.

Thank you for letting me get the chance to know you Angie.
