“ *RIP sweet Nene, I will never forget the years of fun growing up behind you, looking up to your sage advice and laughing endlessly. You had a wonderful quick wit, sharp tongue and a different perspective on the world. The last time I saw you was in March 2016 at Siesta Keys Beach reminiscing about our childhood trips to Jones Beach with the tuna sandwiches, PB&J and lemonade mixed with grape juice. Those were wonderful memories. Be happy in Paradise until we meet again! Your cuz, Pam*

Anita, our Hand and Foot group will never be the same without you. There are many of us that we're taught by Anita how to play this game. Not a game went by that she did not fill the room with her laughter. RIP

“ *Although Anita moved out of Cascades ,she will always be remembered for her quick wit and how much she cares for her friends. You never wanted to be on her "list" as she called it, I will always remember the cruises we took and our little weekends away with the girls. Anita you will never be forgotten.*

“ I saw the softer side of Anita. How much she loved her friend; how deeply she experience the events in her life; how gentle and loving and caring she was; how deeply she felt when misunderstood; how loyal she was to her friends; how strong her desire to care for other; how angry she could be about injustice; how unforgiving she could be until Joan and I worked with her in developing a new perspective; how much she wanted to make things right; how much fun you had in her presence; how she loved her sisters, especially Frannie who stayed by her side during these difficult times; and last but not least how very much she loved and appreciated her son Tommy who was her life, her best friend. Together they conquered so many difficult life experiences. Together they shared a profound and wonderful love that many mothers and sons would hope for in their lives.

Anita will be missed by all of us who know her goodness and love; who experienced her many gifts and talents; and who laughed with her; who enjoyed her one liners that were so right on. Anita now rests in the arms of God and is at peace.

Dotty one of the "nuns!"
