“ *Annie was a blessing to many! Always had time for others and her kindness was just a part of her true personality. With Annie, what you saw is what you got.....sweet, quick witted, down to earth, and full of fun! She was our home watch for many years, but more than that, she was our friend. We will miss her.*

“ *Annie was a sweet, dear friend and Worthington neighbor all through our years at Worthington. She loved cats and took good care of our two when we were out of town. It was such fun to play tennis with her, and she could hit a mean ball! She was loved by everyone and will be dearly missed here at Worthington CC. Our sincere condolences to all her family. Rest In peace, dear Annie.*

“ Annie will be dearly missed. She was a great friend, who was very spirited and kind, to many here at Worthington. She was so endearing and especially nice to me when I first began to learn and play tennis here at WCC and, when I played very well, she liked to boast that I was her best student. God bless you dear Annie!!!
