“ *Hello Alvarez Family!*

This is Susan Ingram, from 6735 Brookmont Drive. Susan Schanche and I were driving through the old neighborhood and reminiscing the other day when she was in town.

I just found this - so sorry to see Mr. Alvarez died. Lots of great memories on Brookmont Drive. I hope Marion and Jeannie, Nancy and Barbie and families are all well.

Big hugs and much love to you all!

“ *Oh my, where do I start to share our wonderful memories of Tony.*

He was our official turkey carver at Thanksgiving every year at our house except for last and unfortunately for Bud you could tell. I

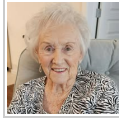

spent many a day trying to convince him that Tom Brady was a really nice guy. I don't think I every accomplished that. We loved him very much and we will miss him but we have such wonderful memories of our time together.

PS Marion, do you think we could borrow his knives, it might help Bud.

Love

“ *Our condolences to the entire Alvarez family. Over the past 40 years, we have celebrated many events with Tony, Marion, and family. Tony was always so warm and welcoming, even if we hadn't seen him in awhile. We were blessed to know him and cherish our memories. Sending much love to all, but especially to our dear friends Nancy, Alan, and family. You are in our thoughts and prayers.*

“ *Grandpa lived a great life and set an example for the rest of us to aspire to. We'll miss his warm smile, loving heart, and big personality. So many memories spending time with him at Kratz Ln, Annapolis, and especially Ocean City. He took pride in working hard, doing what's right, and treating others well. Through his life's work he built a strong family and a prospering business; both of which will continue to positively impact the world for many years to come.*
