“ To the Pedisich family - I just happened across Anton's obituary online. I'm very sorry for your loss; he was a good man. I have many fond memories of all of you, and of our families hanging out at various parties, and down at The Shoreham. I'm sure Anton is having a cold beer (or more likely more than one) , and yelling at the Giants on television with my father, who died in 2007. I hope you all are well. Fondly, Dave Gill
