“ Dear Bob Jeanie and Joe Thomas (Pride Cleaning co .) We just found out about our wonderful friend Armies passing and we are very sorry for your loss and ours. Armie was not only our best secretary by far but a very big part of our family She was a very good friend of ours. When things were not going well for me she always had an encouraging word for me. She was so proud of her family and you Bob. She talked about her family all the time. We always felt very fortunate to have a lady of her caliber working with us When she told me she was leaving my heart seemed to drop but I was very happy for her and the whole family because she was so excited about starting a new life in her life. She will always be missed but we will all meet again. Jeanie and I are doing good. I am very busy working in my workshop. Building birdhouses and feeders and dog planters and other things. I am still playing pickleball. Bob, we once again want to say we are very sorry for Armie's passing. All our LOVE Jeanie and Joe Thomas.

Loved "Armie" was lucky to have spent time with she and husband Bob "many years" ago as our daughters were "best friends" and we were able to "gather" many times around "football fields" and dinner tables where we shared "good and some stressful times together.
