“ *I didn't know Audrey very long but she was a warm, loving person. My mom enjoyed her company at American House. My sincere condolences to the family.*

“ *She was such a special friend. I will always remember her wonderful story telling, her fierce love of Bridge; (although, she was also willing to play the simple game of BUNCO with her friends) and the great times in Maryland playing tennis and our Girl's Weekends in Ocean City, NJ. We were so glad that she and Sandy decided to move to Florida and we were able to see them more often. She will be greatly missed by the Horst family.*

“ Audrey was sweet, funny, witty, feisty, engaging and a bright light in our community that has been diminished. She was a presence at so many of our social events and she probably dragged Sandy to the photo opportunities at these parties because she wanted to participate. She will be greatly missed by her Tidewater friends but her memory will live on in our hearts.
