“ *Dear Cathy,
I am so sorry to read of the passing of your mother. I remember her so well, and your dad too, and I still have the painting of the winter scene she did for me so many decades ago. Have thought of you and your family so many times over the years and remember the good time growing up in S Lorain. Going to Lulu White for Piano lessons....skating at the ice pond at Oakwood.
May we all live that long and in good health. God Bless you and your sister.*

“ *Dear Adrienne & Cathy,
My sincere condolences to you and your family at this time. What a wonderfully long life your mother lived. I remember her as being way ahead of her time, & as one the smartest mother's that I knew. We all go such a long way back to the simple days growing up in South Lorain & made many lasting memories.
Aunt Marge (Yuricich) & I were just talking about your Mom at lunch the other day which was ironic for the timing of her passing.
May she rest in peace,
Carol (Mann) Nickoloff*
