“ *Though it is late on this message my condolences- Looking through Facebook I came upon this story and instantly looked into it learning about Averí's story as a beautiful girl who touched many people's hearts in this world. Looking also into Cody's story it is a tragedy for such beautiful young teens die at such a young age because of something as deadly as cancer.*

May her soul rest in peace.

“ My dog and I only got to visit with Averie a few times, but at the first glance I knew she was a special young lady. I only wish the last day we visited her on the 23 She would have been aware we were there. She was sleeping so peaceful that we just said our good- bye because I knew that she was going home to heaven soon. I am just glad my pet partner and I had the privilege to meet her and spend a little special time.

Rest in Peace sweet angel

“ The Estero High School family has lost a true treasure with the passing of Averie Mading. Our thoughts and prayers go out to the friends and family of Averie. Averie has been taken from us at such an early age, but her courage will serve as an example to others. Averie's name will now join that of her brother Cody on our memorial plaque in the Estero High School Memory Garden.

“ To Averi's family, You do not know me, but I have followed Averi's story about the last 6 months. She is such a beautiful young lady, inside and out. I see that she fulfilled God's purpose on this earth. I am so sorry for your losses and the voids these make in your life. I lost my first son on December 23, 2000. And am currently in the hospital with my second son, preparing for his 4th bmt. I feel your heart and your loss and just wish I could hug you and make it all better. To the sweet memories you will hold onto and to brighter days ahead. Sincerely, Jennifer

“ Please receive our most sincere condolences for the Mading family. You will forever be in our hearts. Being one of Marisol's best friends while we were in Florida leaves for a lot of happy memories. One we will never forget, and I must say eating chicken tacos will never be the same, is one Friday afternoon where Averi and Emily Laney were at the house having dinner with Marisol and the only thing coming out out od Averi's mouth was "Ms. Ramirez one more taco please" with a great big smile on her face. We will forever love you Averi.????
