“ Jerry Reynolds was a great guy. And a very good senior management lawyer at State Farm Insurance at the Corporate HQ in Bloomington, Illinois. I had the privilege and pleasure to work in that same department with Jerry and always found him to be the most intelligent, thinking person in the room when a meeting or project needed his advice and wisdom. All those qualities were missed when he retired. Condolences to his family and his many friends. And may Jerry R.I.P.

“ My condolences to your entire family. It was my honor to work for Jerry during some of his years in Corporate Law at State Farm. I will never forget the day I was busy and transferred a call from Peggy to him and accidentally I said it was "Piggy". He couldn't wait to give me a hard time and make me blush from my toes to the top of my head. What fun he had with that one. He loved a fun time and I will always remember the good times in Corporate Law because of him. May he rest in peace. Rita B

“I worked with Jerry in the Law Department of State Farm for thirty years, and he was my supervisor most of that time. I can't think of a better boss; I learned so much from him, and his mentorship, guidance, direction, and above all patience helped me grow as a lawyer and prosper at State Farm. I was so lucky to have known and worked with Jerry. May Peggy, Michael, Matthew, Greg, and Heather find comfort and strength from faith, family, and friends, and in time may all their memories of Jerry be happy ones.

I concur with Ethan. Though Jerry was only my supervisor for his last couple years before he retired I had great respect for him and truly enjoyed working for/with him. He was a real gentleman and scholar. My condolences to the whole family. May God comfort you at this sad time.

“ I met Jerry when I joined the Law Department in 1983 and I remember vividly as he walked out to his Secretary Rita and said 'Please tell the new girl I am Jerry, not Larry', as he gave her the phone message I had just put on his door. That was the start of our 18 year working relationship, of which I had the privilege to be his Assistant for 14 of those years. I adored Jerry as much as his beautiful family. My thoughts and prayers go out to you for your loss. Jerry was humble, a sharp and respected lawyer, a proud family man and a great boss. I am forever grateful and blessed to have known him. God Speed.

“ I met Jerry in 2002 when I was introduced to a band of bandits called the " Grusch Group" .Jerry stood out as a gentleman who enjoyed the game but enjoyed the joking around even more. He and Tom Werthman were a real pair aided by Ron Ruby. His focus on the cause of conservative politics was unmatched. Each day I read the political emails from Jerry and quickly forwarded them to my friends up north. They all asked " Who is this guy Jerry?" He is going to be truly missed by those around him. My thoughts and prayers are for his family. The week before I headed to Chicago (April 12) I saw him with his 2 sons at the cabana and we shared cocktails. He loved his family and was so proud of them.
