“ When I think of Barb, I'll remember all of the fun we had making raviolis together and also lunches....."out with the girls!" I'm so happy that we got to spend the afternoon together at LaPlaya. Neither Val nor I thought it would be the last time we would see Barb....I understand now, why she wanted to linger in the lobby and not have the afternoon come to an end. I will never go to the ballet again without thinking of Barb, and will always remember her as a kind and gentle person, who loved living in Naples as much as I did. Barb fought cancer with strength and dignity. She was a class act right 'til the end. Annie Ardito.

“ Gino,
Our thoughts and prayers are with you and your family. We are grateful that we had the opportunity to meet Barbara and share in her wonderful spirit for life. Through her and her "lady bikers" we met new neighbors and friends, and hope we can, in time, pay forward her love of life.
