“ *Back in the 1970s I had just gotten out of the service and worked for Indiana National Bank as a collector. I decided I wanted to repossess cars. Bart was the manager at the local FMCC office. Bart gave me a chance to Repo for FMCC. Great friend and loyal client until he retired. I retired 3 years ago and sold my business who still works for FMCC. Sorry to hear, great man, client, friend.
