“ So many memories. Boop, which was her nickname, was not only the mother of Michele, Rachelle, and Ryan, she was also a mother to so many of her children's friends. She was such an amazing soul and her laughter was contagious. I will cherish the memories I have of her forever.

“ My deepest sympathy to the whole family. Betty Ann, I'm going to miss you more than you know. I remember the first time we met at the Marriott, that was over 40 years ago. You were my boss at the time and we hit it off from the start. You took me under your wing and I looked up to you like a mom. You were always there to listen to me and give good advice when I needed it. I'm going to miss your phone calls, seeing your beautiful smile and listening to your laugh. But most of all, I'm going to miss you dearly. I will see you again when we meet in heaven. Until then, I know you will be my angel.  
Love you, Kim.

“ *I remember when my mom "Cheryl" told me and my sisters that Aunt Betty was coming over to visit but it would be later in the night and we had to go to sleep because we had school the next morning. We were really bummed out. Once Aunt Betty got to our house she woke us up and gave us all a big kiss n hugs. I'll never forget that. She was the most happy and loving woman I ever met. No more pain or suffering...Rest easy Aunt Betty "Betty Boop" I love you... ❤️❤️❤️ Christopher.*

“ *Very sorry for your loss. I enjoyed meeting Ann in Florida and seeing her again in March 2020 which was the last time I was in Florida. I liked talking with her and she asked me to call her Ann. I loved the Betty Boop decorations in her room. May she rest in peace and may her memory warm the hearts of all who knew her. With love from Beverley Stankiewicz and family.*
