“ *As a student at The Ohio State University in the late 50s, I, Rosemary (Osborn) BarksI met Betty in Canfield Hall. A handful of us bonded, laughed and shared many memories. I'm so glad she went on to become a nurse. Her smile alone would cheer anyone up!*

Really sorry to learn of Betty's passing. I was her roommate at OSU for 3 quarters and stayed with the family part of one summer while we both worked at Wright-Patterson. I was at the dance where she and your dad met and was in their wedding too. I have great memories of Betty and her sense of humor. She had some great jokes. I always hoped we would get one more visit , she was such a good friend. Karma (Knox) Breedlove July 5,
