“ A lot of childhood memories of Cousin Betty when we would visit Florida growing up and the many times her and Bill visited us in Virginia. And the Family reunions in Pennsylvania! I remember when my dad (her Uncle Melvin Ross) wanted to go to Florida one more time before he passed away. He would not fly, so he drove his little red truck from VA to FL. He was supposed to go for a week. He ended up getting pneumonia and had a stay in the Bonita Springs hospital and then back to Betty and Bills for about a month. They took great care of him and he drove back home. My dad was so happy he made the trip because he passed away about 4 months after. I know Betty, my dad and her sisters and mom Evelyn are all together now in heaven. Pretty sure there is guitar music and gospel singing going on. Rest In Peace sweet cousin and give the family up there big hugs! Love you always! 🤗

“ Betty and her family were the first friendships Ken and I made after moving to Bonita in 1979. She had a ready smile and shared her love and light with so many. She and her beloved, Bill, were given many blessings and shared those blessings with others. Rest easy, you were loved.

“ *I worked at Pine Lanes (Beacon) Bowling Alley in the 70's as short order cook in the café. Betty was always helpful, pleasant and kind. I remember Bill coming in with his tree trimming truck and have lunch with her at least weekly. They appeared to have such a loving and respectful relationship. I only ran into her a couple of times in all these decades but Betty was always outgoing, smiling and kind. Know you were a beacon of light and know your light will shine on.*
