“ *I was saddened to see Brian’s obituary today. We grew up near each other and he was always nice. I remember Brian and his friend Kurt taking my brother John and his friend Robbie on in an apple fight. I participated too. We “younger kids” were dogging exploding apples that Brian and Kurt had laced with small fire crackers! I still laugh when I recall this, none of us were mad at each other, we were just up to foolish kid antics. I bet if Brian and Kurt were both still here, we’d all be able to laugh about our foolhardy apple fight. May your east in peace Brian.*

“ Brian was really bigger than life both at the hardware store and more so in the duck and goose blinds. He could call ducks and geese along with Fred and Andy, like no other. Our trip to New Jersey to hunt snow geese and brant was more than fun, it was an adventure. My friend you will be missed but never forgotten. Karl
PS--To Brian's family my condolences and prayers.
