“ *A woman of character who made me feel welcome at all times. The smile and eyes of a caring and understanding soul, I am enriched beyond words. She raised wonderful children and a success unto her own right, but always found time for my hero RTS.. Love to all from the old mechanic.*

“ *Loved cousin. Many family memories of shared vacations, wonderful parties (and parties after the parties), childhood adventures -- and maybe a few scrapes. Fabulous organizer; great friend. A fine example of the love and bonding in a good marriage with her husband Richard and a super mother. Stories of her travel adventures with Dick were always exciting. Candi's giggle could light up the world. She taught me how to make peanut butter and pickle sandwiches and was, darn it, one heckuva Girl Scout, too! So happy to have danced the night away with her in April. Memories Eternal. The Stars are Enriched.*
