“ I know Carol through Barbara. I always loved Barbara's description of her mom and the silly things they would do together and the way they would "call" for each other in the grocery store when one wandered off. Because Barbara is a dear friend, I deeply appreciate the mother she was to Barbara. The way she showed up for her daughter and truly wanted the best and most happiness for her girl. It's always beautiful to witness a loving mother/daughter relationship and I got to witness that with Carol and Barbara. I am so grateful to you Carol, for having Barbara! I wish you a bounty of love and peace on the next phase of your journey. Big Big Hugs to you BB. 🤗
