“ *Aunt Carol was a wonderful aunt to me and my brothers. We have spent many good times with her doing all kinds of activities, but my favorite was always seeing her for the holidays. She was fun loving and always brightened up a room. She also had an internal strength and was the only one I ever saw that could stand up to my overbearing father (her brother) and temper his disposition.*

Sometimes it's the little things in life that we remember or appreciate the most. I clearly remember her teaching me how to properly cut an onion, or that you should add water to scrambled eggs, not milk. The funny part is that I was a grown man, but I guess she saw me cutting onions and felt I needed help :)

Thank you for all you gave us Aunt Carol, I love you.
