“ What a darling picture and so captures her personality and spirit!! I'm so sorry for this sad news!! I am glad her suffering is over and she is at peace, but I will miss her greatly. She was a remarkable lady in all respects. Gracious, loving, a "second mom", I will always remember her twinkling smile and warm heart. As our Girl Scout leader, she introduced us to so many new things and challenged us to be our best. I am a better person because of her. And no, I never learned the names of all those tree leaves, but she loved me anyway - and I did get my girl scout badge :) Thank you dear one for your unwavering commitment to us - you always were a very special and unique lady. God bless you and those whose lives you touched. You were so loved and I will truly miss your special smile!!
