“ Friends are a gift of God. Kathie was my “sister” & was truly a gift. It has been over 40 years knowing her & having her as part of my family. I will truly miss her. She was the most giving person I know. She also was my go to person when I needed advice on a financial issue. I love you more & know I will see you again in heaven. Say hello to my Rudy up there.

“ I have so many wonderful memories of Kathie. She was such an angel, a generous and loving person and a wonderful friend. She and I used to take off from work at Verizon and drive up and back on the same day to the Poconos to go skiing. At the time, Billy Joel’s song “Just the way you are” was very popular and on the radio constantly. We would sing at the top of our lungs as we drove and always said we would love each other “just the way we are”. I will miss this beautiful woman! Rest In Peace Kathie.
