“ Chucky has been in my families life for as long as I can remember. Kyle, my brother, and I would refer to him as Uncle Chucky sometimes. He was the brother to my Dad that he never really had. He had a special place in all of our hearts. Always that funny and goofy sense of humor. I wish more people had his fun and free-spirited personality.

The memory that will forever be remembered is that Donald Duck voice of his. When I was a little girl I would always scream to him, "Do the Donald Duck voice! Again, again!" when he was over our house. All of us kids loved it. Looking back you could tell it gave him pure joy to see the way we reacted when he did that for us. Just one of those things you never forget. As I got older Chucky would come on the fishing trips to the keys or out of Naples with us. This man LOVED to fish and tell his Everglades stories. I am sure most of his family and friends would say the same thing :) Now when I go to the Everglades I will look up and think of you while catching those snook your holding.

I don't look at this as a good bye because you will always be in our thoughts. You will always live on through my family and I. We love you Chucky & Becky!

“ *Do not stand at my grave and weep
I am not there. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there.

“ I remember the first time I met Chuck. It was quite a few years ago when I was working a cut phone cable on a dirt road. I looked up from the pit I was working in and saw this skinny guy bopping down the road toward me. I thought who the hell is this guy ! He told me his name and he was there to help. After all these years he still had the "Chuck walk".
Miss you buddy .
