“ *My dad taught us how to fish, mushroom hunting and most importantly how to be strong and stand on our own if need be. Whenever we got in trouble he would set aside time to talk to us. Always kind and loving and joking. If he thought he upset me he would apologize and say he loved us. I miss him more than words can speak, but he did leave us so many good memories and that I will always keep in my thoughts*

“ He Loved his mom so much and siblings. Enjoyed camping in the woods. he liked to bass fish more then any other fishing. I remember back in the day my grandpa and a bunch of family went camping out in the woods having a good time. he was drinking had catfish lines out and caught several catfish and a turtle, having a cookout tents pitched up and that night all i heard was snoring from Grandpa and his friend Craig. at that time i was like 10 or so but its one of my favorite memory's of him. one of my favorite memorys of spending time with him.

“ A loving and caring person. Puts family and friends before himself. His hobby's was fishing, hunting, gardening, berry picking, and much more. He enjoyed the outdoors. loved his family and friends more then anything. he enjoyed going up to his lake house. Loved his dogs Baby and Emma. The most hard working and toughest guy everybody knew. Enjoyed spending time with his family and friends. Always liked to have fish frys and cook outs.
