“ Chuck's appreciation of good food was legendary! I've never had a better steak, even at swanky steakhouses, than ones prepped on his grill!

“ We first met Chuck and Ann in 2015 in Florida. We purchased a condo in Doves Nest, Chuck and Ann were a wealth of information and advice to us as we adapted to Florida life. Chuck was always helping us every step of the way, there was never a question he could not answer. He and Ann were always available with kind words and offers to help. We will miss him greatly. “ Chuck was a wonderful person. Ann when you were away in California Chuck, Bill, and I ate a lot of suppers together either at your place or ours. He would also come for coffee in the mornings. We had a lot of fun with him. We also when shopping to Costco with him. He made great hamburgers and of coarse your potato salad was the best.

“ *I am one of the lucky people who had the privilege of meeting Chuck, and it was a pleasure to get to know him even for a short time. I had heard a number of stories about him from his wife, Ann, and appreciated each one. One story was that Chuck liked to shop and I thought that was such a nice trait, figuring that meant he had to be patient when out shopping with Ann.*

He was a memorable man.....
