“ *Charley was the most amazing neighbor to us. My 2 year old twins absolutely adored him and would go over and knock on his door to get him to come outside. He will truly be missed so much. There isn't a person out there nicer than him.*

“ *Charles was such a warm and friendly neighbor who always had a smile for me on my way to the pool whenever I saw him. I always teased him about what he said to his flowers because his plants always did so well. I will miss him.*
