“ You were the most beautiful and wonderful of mothers. How I wish I had told you that and told you how much I love you. We went through so much in so little time. How I wish you were still here. You live in your sons and I see it so much everyday. Your love and peace lives in my heart Cheryl. You had the heart of an angel and the most beautiful loving soul as a mother. I miss your laugh and your stories! They were always the best. I love you and miss you very much.
