“ *It is never easy to find the right words to express the sorrow and loss you feel for the family and yourself when you hear of a friend's death. Christian and myself worked at the Publix grocery store at Immokalee and Collier Blvd. He was ALWAYS a pleasure to see and work with. I will miss his kind character and smile. I wish there had been more time to get to know him better. God bless Christian and his family. With sincerest sympathy, George Gary Brennan*
