“ *My deepest condolences to Jaime and family first and foremost. My heart goes out to the kids and grandkids. I have so many memories of my cousin. We spent a lot of time together when we were young. She used to call me NannyGoat and then giggle. I would spend every Saturday down the 'block' with her and her Mom (Babci). I remember one Easter, our Mothers took us to an Easter parade and we walked up and down this main street with our new outfits. Chris and I couldn't figure out where the parade was and when it would start. Turns out, we were the parade. I added a photo of us getting a treat for being such good girls. I remember her Mom taking us for rides to look at the Christmas lights. We loved that too. Taking us to Nantasket Beach where Chris loved to ride the ferris wheel. Ugh! The dreaded ferris wheel. Going to Mountain Park, playing with our Barbies and dolls, picnics and cookouts with the cousins. Chris and Jaime have 4 wonderful, beautiful girls, young women now. I know she loved you all so very much and was very proud to be called your Mom/Mother.*

RIP Cousin.
