Christine "Tina" N. Redmond, 97, of Bonita Springs, Florida passed away on September 14, 2020. She was the daughter of the late John and Carmela (Maraziti) D'Amato.

Tina was born on May 8, 1923 in Jersey City, NJ. She grew up locally and lived in Union City, Fort Lee and Parsippany, NJ. A strong and independent woman, Tina always put others before herself. She was blessed with a son, Dean, and dedicated her life to raising him.

Tina had many passions in her life including spending time with her family and friends, playing Bingo, completing crossword puzzles and scratch-offs. She enjoyed watching game shows especially Jeopardy and Wheel of Fortune. She also enjoyed visiting Atlantic City. She was a voracious reader particularly of mystery novels, listening to music, and passionate in politics. She championed many forms of charity particularly St. Jude's, Veteran's agencies, and the ASPCA.

Tina touched so many lives with her friendship and contagious laughter. She enjoyed talking to people wherever she went and always took the time to make you feel welcomed. She treated everyone with compassion and love. We will cherish all the fond memories. She will be missed by many and we were blessed that she shared her kindness.

Tina is survived by her son Dean J. Redmond and his wife Carmen of Naples, Florida. She was preceded in death by her late siblings Benjamin D'Amato, Anthony D'Amato, and Frances Piccione.

Services for Tina will be held privately by her family.

In lieu of flowers, donations in memory of Tina may be made to St. Jude's, Veteran's agencies, or the ASPCA.
