“ *Stephen, Susan and Carol,*

My heart goes out to each of you. Your mom was a sweetheart, always trying to make everyone happy. The memories I have range from your short time in Fitchburg to Stephen's adventures with the soap box derby, to my extended visits to Hatfield. Your mom made the best chocolate chip cookies! She couldn't bake them quick enough to keep any on the plate or save them for the freezer. It was so nice that you were able to make it to my parents 50th with your mom and dad. My parents were so happy that day that you were there. Remember the happy times because that will help get you through the sad times. Your mom shared a good life with a very supportive and loving family. She is with your dad now and at peace. My prayers go out to all of you.

*Love,
Anna (Albert) Presutti*
